Matters arising.

County Councillor Merfyn Parry gave a report following his meeting with Mair Jones of Denbighshire County Council regarding our interest in a parcel of land been part of the Efail y Waen, property of Denbighshire County Council for (a) a car park and (b) for a Community Centre. It appears we will have to purchase the land. We are looking at funding from the Leader Project at Cadwyn Clwyd, plus other avenues e.g National Lottery, Cynefin and People's Trust etc. We are hoping that Bodfari Community Council will join us in this venture.

Funding from the new financial year should hopefully be available to complete the footpath from Aberwheeler playing field to Geinas.
